

Resort Contract Furnishings

Resort Contract Furnishings is the one-stop source for the world's best-known and most reputable lines of commercial outdoor furniture. We provide excellent selections and great values from brands we are proud to stand by.

We offer a wide range of products from factory lines such as: Grosfillex®, Tropitone®, Kettler®, Wabash Valley®, Tropitone®, Fire Pits and Shademaker®. We also offer our own line of outstanding commercial furnishings at an excellent value in the following categories: Resort Restaurant Seating, Resort Poolside Furniture, Resort Wicker Furniture, and Resort Umbrellas & Weights.

Grosfillex Exterior

Celebrating over 28 years of manufacturing in North America, Grosfillex has built a solid reputation on research and development of innovative commercial products, always focusing on new materials and technologies, while staying loyal to the values and requirements of the commercial market. We are committed to providing the Foodservice, Hospitality, and Institutional professional with durable furnishings that feature the performance, durability, functionality, style, and comfort, they have come to expect at a competitive price. Grosfillex continues to evolve its designs through their enduring passion for the industry.

Grosfillex Interior

Trend forecasting is part psychology, part anthropology and part intuition. It is an art and like most art it is influenced by lifestyles. It is a bridge into the future. Grosfillex draws its vision of design trends from key drivers such as global cultural, economic, social and political movements. Ironically, these new design trends often emerge from the Old World where Grosfillex first set up their furniture business.

Tropitone

With leading edge designs in both consumer and commercial markets, Tropitone helps create stylish outdoor living solutions. From our exquisitely detailed and luxurious traditional outdoor furniture, that exudes fashion and sophistication, to outdoor furniture collections that offer a more urban, sleek, contemporary feel. Tropitone outdoor furniture will satisfy your desires for a more modern or traditional style without sacrificing the pure comfort of outdoor living. With the widest selection of outdoor patio furniture styles, finishes, colors and fabrics finding elegant, comfortable furniture to fit your personal style is both simple and affordable.
